What is NYLT?

NYLT is a leadership development course developed by the Boy Scouts of America to enable Scouting youth to lead their Scouting organization. NYLT uses the methods of Scouting to teach leadership skills.

A week is spent in an environment that exemplifies the "best" that Scouting can be and is the vision that Baden Powell intended. Youth will experience a "Boy led Troop" as the program is run by youth.

Seneca Waterways Council operates one of the largest and most successful programs in the Northeast Region at the Walmsley Sawyer Training Center, located at Camp Cutler. Seneca Waterways Council employs the national program to deliver four NYLT courses, allowing the participants a good selection of dates. Each course is limited to 48 participants to maintain the quality of the program.

NYLT participants must be at least thirteen years of age and First Class Rank or Venturing Scouts who are 14-17 years old and be in a position of leadership (Senior Patrol Leaders, Assistant Senior Patrol Leaders, Patrol Leaders or who will be candidates in the near future). A scout must want to attend NYLT and have the enthusiasm and desire to participate in this learning experience. Because NYLT requires camping skills, Scouts must have had at least one long-term camp experience (such as summer camp) in order to attend.

What is the NYLT Program ?

The NYLT course simulates a month in the life of a troop. It is a six-day course (5 days for Course IV). It reinforces and expands upon **Be- Know-Do leadership**. Scouts learn a number of leadership skills and concepts. The Scouts learn about the stages of team development and how to match the most appropriate leadership style with the developmental stage of the individual or team. The course has many challenges for the youths, including its culmination where they undergo a quest for the meaning of leadership, which they then present to the entire NYLT troop.

- **The NYLT course has Eight Key Elements**
 - A Month in the Life of a Troop
 - Four Stages of Team Development
 - Leadership Requires Vision, Goals, and Plans
 - Toolbox of Leadership Skills
 - Consistent Leadership Modeling
 - Scout Oath and Law
 - Fun!
 - Traditions

What Will Scouts Learn?

The Scouts come away from their NYLT experience with exposure to the best of the best of leadership techniques. They will learn many valuable skills about how to create a vision of success, how to set goals and make plans, how to listen and solve problems, and how to teach and lead. Most of all, they learn the bigger picture of how to put the needs of others first in order to be a truly great leader. They learn to use the Scout Oath and Law to make hard decisions and to remain true to Scouting's values.
