

SENECA WATERWAYS CUB RESIDENT CAMP

Event #1-6701-707-04

WHAT: Cub Resident Camp is a three day, two night camp featuring the theme “Space Odyssey 2011.” The program is exceptional with the following programs.

- Action and Stationary Archery – We will not only have fun doing the traditional archery, but we will be able to shoot at eight different targets that are theme related and provide a challenge in Action Archery.
- Fishing – 997 fish were caught in 6 days in 2010.
- Nature – Cubs will explore the beautiful outdoors and learn about planet Earth.
- Lunar Module Racing – Bring your bike helmet and race around with us at camp.
- Campfire Cooking – Learn how to cook over an open fire.
- Crafts – Build a rocket and actually fly it.
- Boating – The cub scouts will be able to boat in a man of war on the large manmade lake.
- Swimming – Experience swimming in a lake with roped off areas for swimmers and non-swimmers.
- Theme Related Games – Run and have fun playing space games.
- Water Bottle Rockets – Cubs will build water bottle rockets and launch them.

WHO: Cubs of all ranks are welcome at camp. The early bird price is \$150.00. Parents/Guardians are welcome for a \$50.00 food and facility charge. The program staff, have a combined adult Cub Resident camp experience of 206 years. The camp is limited to 120 cubs per session. Provisional Cub Scouts are always welcome.

WHEN: August 14-16 and August 18-20

WHERE: Camp Dittmer in Phelps, NY

WHY: To experience the fun and excitement of scouting, earn achievements, and make new Cub Scout friends.

WANT TO LEARN MORE: Email Valerie VanDongen at richval@rochester.rr.com or phone (315) 573-6001 or Dave Perl at davidperl@verizon.net. A dvd of last year’s camp is available to show your pack or we would come to your Pack Meeting to answer questions after we show the dvd.
