

BOY SCOUTS OF AMERICA

Girl Scouts®
Where Girls Grow Strong™

Dear Unit Volunteer,

Thank you for signing up to represent your unit/troop for the 2011 Scouting For Food and Clothing Drive. Your pack/troop or crew will be one of over 300 Boy Scout and Girl Scout units/troops to participate.

- This massive effort will involve an estimated 12,000 volunteers from all over.
- Our goal is to collect at least 110 tons of food and 110 tons of clothing, enough to stock approximately 81 food cupboards for four months and provide programs and services for people who are blind and visually impaired in Monroe County.
- Our drive is scheduled for March 19th for the delivery of plastic bags to all neighborhoods and March 26th for the collection of food and clothing.
- You, as a unit/troop coordinator, play a vitally important role. We need 100% participation from your pack/troop, or crew.

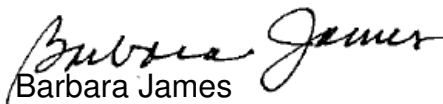

If we can be of any service to you please contact either Adam Cregg or Joyce Perkins in the BSA Program Department as follows, Adam Cregg at 241-8534 or adam.cregg@senecawaterways.org or Joyce Perkins at 241-8560/ joyce.perkins@senecatwaterways.org.

Thanks again for being part of this very important "Good Turn for America Community Service Project".

It's through efforts like these that Scouting comes alive for our youth and every resident of your area.

**** It is most important all pack/troop or crew leaders sign up with their district Scouting for Food and Clothing chairperson. If you are unsure or need assistance getting in touch with this person, please contact either Adam or Joyce in the Boy Scout Program Department at the numbers/email addresses above. ****

Sincerely,

Barbara James

Chairman, Scouting For Food and Clothing
